2020 MINI QUILT CHALLENGE

Trapunto is Italian for quilting. To create the 3-D effect fleece was inserted from the back of the quilt and placed between the layers to create a design. Today's inspired quilters have adapted new techniques using a sewing machine and layers of batting to create the trapunto effect. The trapunto may be incorporated under an applique or as part of a whole cloth design.

RULES

1. The banner should be no larger than **18" by 18"**.
2. The banner may be stitched either by hand or machine and consist of at least three layers of fabric, quilted and bound.
